

Jungfrau Glacier adventures

Website plan

Jungfrau Glacier Adventures is a private tour company specializing in guided tours in and around the Jungfrau mountain range in Switzerland.

They are in need of a new marketing website in order to increase their profile in the competitive tour guide industry in this part of Switzerland.

The website is planned to appeal to a adventure seeking, outdoors loving audience, as such, the website will convey the beauty of the landscape, and the potential for adventure.

Jungfraujoch – Top of Europe

From Grindelwald Terminal to the Jungfraujoch in just 45 minutes! Take the new Eiger Express tricable gondola from Grindelwald Terminal to the Eiger Glacier and from there continue to Europe's highest railway station on the Jungfrau Railway.

Open 365 days a year

Harder Kulm - Top of Interlaken

The Harder Kulm Panorama Restaurant towers high above Interlaken. It only takes 10 minutes to reach Harder Kulm by funicular from Interlaken. The observation deck offers visitors a unique view of the Eiger, Mönch and Jungfrau mountains as well as the lakes of Thun and Brienz.

15.04.22 - 27.11.22

Grindelwald-First - Top of Adventure

There is pure adventure on Grindelwald-First. The First Cliff Walk presented by Tissot is a breathtaking experience. For an adrenalin kick, try the First Flyer and First Glider versions of the Flying Fox. On the two adventure trails, the manoeuvrable mountain carts and scooters require good cornering skills. The hike to the idyllic Bachalpsee lake, on the other hand, is more leisurely.
